Right of withdrawal

Right of withdrawal: You can revoke your contractual declaration within 14 days without giving reasons with a clear statement. The period begins with the receipt of this instruction on a durable medium, but not before the conclusion of the contract and not before we have fulfilled our precontractual duty of information including your withdrawal rights. To comply with the revocation period, it is sufficient to send the revocation in time if the declaration is made on a durable medium (e.g. letter, fax, e-mail). The revocation is to be sent to:

Vivid Money S.A.
21 Rue Glesener,
L-1631, Luxembourg,
Grand Duchy of Luxembourg

E-mail: imprint@vivid.money

Consequences of revocation: In the event of an effective revocation, the services received by both parties shall be returned. You are obligated to pay compensation for the value of the service provided up to the time of revocation if you were made aware of this legal consequence prior to submitting your contractual declaration and expressly consented to our commencing with the performance of the service in return before the end of the revocation period. If there is an obligation to pay compensation for lost value, this may mean that you still have to fulfill the contractual payment obligations for the period until the revocation. Your right of withdrawal expires prematurely if the contract has been completely fulfilled by both parties at your express request before you have exercised your right of withdrawal. Obligations to refund payments must be fulfilled within 30 days. The period begins for you with the dispatch of your revocation, for us with its receipt.

Special notes

Upon revocation of your contractual declaration, you shall also no longer be bound by any agreement related to this contractual declaration if the related agreement concerns a service provided by us or a third party on the basis of an agreement between us and the third party.
