

COMPLAINTS PROCEDURE

CM-EQUITY AG

VIVID INVEST GMBH

1. Introduction

CM-Equity AG ('CME') has established this formal Complaint Management Procedure ('Procedure') together with its Tied Agent, Vivid Invest GmbH ('Vivid') to give a framework for dealing with (potential) Customer complaints in a prompt and professional manner.

This document, which has been created to meet legal and regulatory standards and requirements sets out the complaints procedure and is designed to deal with complaints made by actual or potential Customers ('You').

2. What is a complaint?

A complaint is defined as *any Customer or potential Customer contact whereby a negative communication or outcome has occurred.*

You do not have to formally address your negative communication as a complaint or to formally request a response from CME/Vivid for us to treat the incident as a complaint and to follow the related procedures.

3. How to make a complaint?

You can address a complaint to either CME or Vivid. Any employee can receive a customer complaint and has the responsibility to do everything within their authority to resolve the issue at the first point of contact. Complaints will always be referred to the Complaints department, who will follow up on your filed complaint.

Complaints to Vivid can be made via:

- the Chat service in-app
- this Online [form](#)
- Post:
 - Complaints Department Vivid Invest**

- the date on which the event took place that lead to a complaint;
- the affected pocket or investment transaction identification numbers, if applicable; and
- a short but clear description of the event.

4. Next Steps

After reception of your complaint the following steps will be taken, where we will:

- confirm the receipt of the complaint to you;
- notify you as to the expected length of time for resolution of your complaint; and
- advise you on the name and contact details of the member of the CME/Vivid Customer care team who is nominated by CME/Vivid as your point of contact in relation to the complaint until the complaint is resolved or cannot be processed any further.
- request any necessary further information from you if needed to resolve the complaint. Your cooperation might be needed to solve the complaint in a satisfying way.
- investigate your complaint and provide a formal reply within the indicated timelines
- if timelines cannot be met inform you in time when the complaint will be resolved

Timelines we will respect with regard to the handling of your complaint:

#	Entity	Country	National ADR	Timelines Acknowledgment Receipt Complaint	Timelines Final Reaction	Timelines Extension
1	CM-Equity AG Vivid Invest GMBH	Germany	<u>Ombudsstelle</u>	10 business days	1 month	We will Inform in time you if the indicated timelines are not going to be met

Your complaint will be handled in an independent manner by our complaints department. Your complaint will also be used to assess any structural problems with our services.

5. What can you do if you do not agree?

If you do not agree with the outcome of the Complaints handling by CME/Vivid or if we do not respond in time, you always have the possibility to refer your complaint to an Alternative Dispute Resolution body (ADR). To be sure, these ADRs can only handle your complaint after you have tried solving your complaint with CME/Vivid first.
